DATAFORCE

I, [name],_____,
a student in the department of _____ working on the academic project entitled „ _____ “ hereby declare that, as part of my academic project, I will be granted access to certain sensitive and confidential data belonging to **Dataforce GmbH**.

I expressly undertake to treat all data made available to me in connection with this academic project as strictly confidential. I confirm that I will use the data solely for the purposes of my academic project and will not disclose it to any third parties.

This includes, but is not limited to, personal data, trade secrets, financial information, and other confidential information made available to me during the course of the project.

I understand that disclosing this information to unauthorized persons or using it for purposes other than those agreed upon constitutes a breach of this confidentiality declaration and may result in legal consequences.

Furthermore, I undertake to delete or otherwise destroy all data received upon completion of the academic project, unless another agreement has been made with the data provider.

I am aware that this confidentiality declaration constitutes an ongoing obligation that remains in effect even after the completion of my academic project.
